

2010 Member Agreement

I wish to become a member of the CSA at Myerov Family Farm by sharing the economic responsibilities as well as the abundance of vegetables and fruits from this farm.

In becoming a member of Myerov Family Farm CSA, I recognize that due to the inherent risks of farming there are no guarantees on the exact amount or type of produce I will receive.

It is my responsibility to pick up my share at the designated time and location.

I will complete my work commitment during the season, unless I have made alternate arrangements with the farmer.

All farm members are responsible for learning how a CSA works. All parties who split a share should understand that they are entitled to only one share to be collected on the indicated day by one share partner.

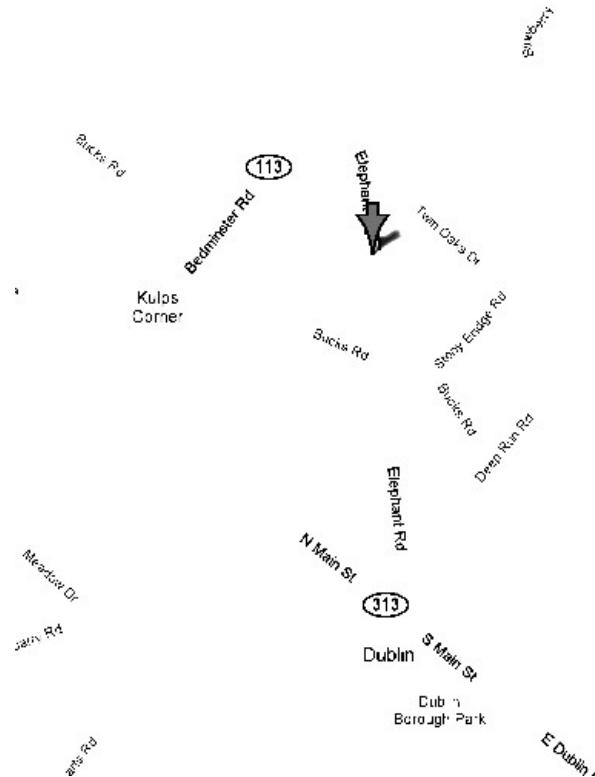

I also understand that if I cannot continue my share, I will not be refunded the share price.
